

# TIME GROVE

**Nitai Hershkovits | Rejoicer | Eyal Talmudi**

Nitai Hershkovits (Avishai Cohen) and Rejoicer (Buttering Trio) have been collaborating for Nitai's debut album *I Asked You a Question*, exploring the realms of sampling and live electronics. Joining them is the unique, multi-instrumentalist Eyal Talmudi (Balkan Beat Box) who makes even the most conformist listener forget what he knows about the instrument. Moving from Jazz and Folk to Prog back to improve and catchy melodies, this unusual set up of musicians will convince you that anything is possible.
